The UMass Boston Schedule of Courses

FOR FALL 2003

With information for undergraduate, graduate, and non-degree students about preparing to register and the registration process.

April 2003

Phones and Kiosks on Campus?

You can find telephones specifically for touch-tone registration in the first floor lobbies of Wheatley Hall, McCormack Hall, and the Quinn Administration Building. Kiosks offering easy access to Web-based registration and schedule updates are being installed in various places on campus. Watch for information about locations.

Course descriptions?

They're in the UMass Boston undergraduate and graduate catalogs and at the UMass Boston web site **(www.umb.edu)**. If you need a catalog, call **617.287.6000.**

Schedule Updates?

Course schedule changes are frequent during the registration period. To learn about changes made after this publication went to print, visit **www.registrar.umb.edu**, click on "courses offered," and use the search engine. Or come to the Registrar's Office, where printed schedule updates will be available.

Registration changes?

If you've already registered and you want to make a change, see "After You Register" on page 8. You can add or drop courses up through September 9.

Weather emergencies?

To find out if classes have been cancelled, after 5:30 a.m. call 617.287.5000, visit www.umb.edu, watch channel 4, 5, or 7, or listen to WUMB, WBUR, WRKO, or WBZ.

Questions?

If you need information about studying at UMass Boston that you can't find in this publication, see "Where to Learn More" on pages 26-29.

Please note that while every effort has been made to ensure the accuracy of the information in this publication, the information is subject to change, and this publication is neither a contract nor an offer to make a contract. This publication is available in alternate format upon request.

[1]Please note that the College of Arts and Sciences , as of fall 2003, has been divided into two colleges: the College of Liberal Arts and the College of Science and Mathematics. This division will not affect any student's academic requirements. For further information, see "Two UMass Boston Colleges in Place of One" on page 32.

[2]Continuing degree-seeking students must pay a $50 late fee if they initiate registration after May 30.

[3]Courses and sections identified in this publication with a "ccde" code are administered by the university's Division of Corporate, Continuing, and Distance Education; most of them are scheduled on Friday evenings and Saturdays at UMass Boston, on weekday evenings at off-campus locations, or on line via the Web. (See page 13.)

Be sure to check the complete university calendar on the back cover.

First Things First

Getting information before you register

If you have recently been admitted to a degree or certificate program, and are beginning your studies at UMass Boston, you should already have been informed about the process through which you will choose courses and begin registration. If you believe that you need more information, check with the Undergraduate Admissions Office at 617.287.6100 (if you are an undergraduate) or with your program director (if you are a graduate student).

If you are a continuing student enrolled in a degree or certificate program, the university has sent you important information you will need for registration. The information includes your student ID number, your personal identification number (PIN), and your "access period"—that is, the period during which you are eligible to register. As a rule, the more credits you have accumulated, the earlier the access period will begin. If you are concerned because you haven't received this information, check with the Registrar's Office at 617.287.6200.

You should also be sure, before you register, to discuss your course selections and academic requirements with an appropriate advisor from the University Advising Center or your college, major department, or graduate program.

If you are an undergraduate in the College of Public and Community Service (CPCS) or you want to register for a CPCS course, please see the information on page 16. Registration procedures for CPCS differ from those described in this publication, and involve advising in the CPCS Student Services Office and on-line registration.

If you want to study at UMass Boston without seeking a degree or certificate, please see "Non-Degree Students" on page 17. You are welcome to take nearly any course as long as you are academically prepared for it and space is available (for graduate courses, you will need permission from the graduate program director or, in some cases, the instructor). You may also be able to apply credits you have earned to degree or certificate requirements.

If you want to take an off-campus, Friday evening, Saturday, or on-line course, or any other course or section identified with a "ccde" code in this publication, please see the information on page 13. These courses, which are administered by the University's Division of Corporate, Continuing, and Distance Education, are like other UMass Boston courses in terms of their substance and relationship to degree requirements, but the registration procedures, charges, and dates for them differ from those for most courses listed in this publication.

If you are neither a citizen nor a permanent resident of the United States, please see "Information for International Students" on page 21.

We encourage you to review course descriptions for all courses you might want to take. You can find them in the UMass Boston *Undergraduate Catalog* and *Graduate Bulletin,* the *Corporate, Continuing and Distance Education Bulletin* (for off-campus and weekend courses), and also at the UMass Boston web site, www.umb.edu. To find out how to obtain one of these publications, call 617.287.6000. To reach course descriptions at www.umb.edu, click on "Academics" and follow links to the program offering the course(s) in which you are interested.

Please see "Using this publication" on the following page.

First Things First *(continued)*

Using this publication

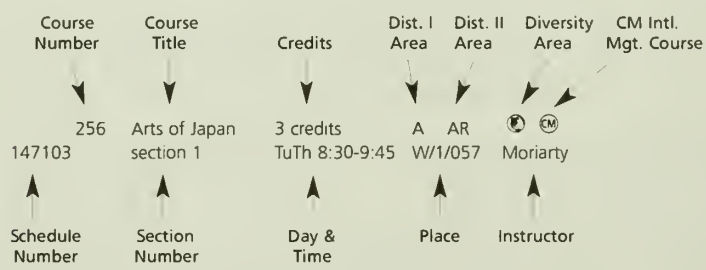
We encourage you to review the sections on:
- "After You Register" (pages 9-10),
- calendar information (page 2 and back cover), and
- tuition, fees, and payments (pages 22-24)

If you are an undergraduate in any college other than CPCS, please be sure to review the "Academic Requirements for Undergraduates" section beginning on page 32. Focus particularly on "Advising and Testing" and on the material that applies to your college.

To use the schedule information, look first in the appropriate section:
- First-Year and Intermediate Seminars (pages 57-60)
- "Q" Courses (page 60)
- Paired Courses for Beginning Freshmen (pages 61-63)
- College of Liberal Arts Undergraduate Courses (pages 63-85)
- College of Management Undergraduate Courses (pages 86-88)
- College of Nursing and Health Sciences Undergraduate Courses (pages 89-91)
- College of Public and Community Service Undergraduate Courses (pages 91-92)
- College of Science and Mathematics Undergraduate Courses (pages 93-100)
- Undergraduate Education Courses (page 100-101)
- Graduate Courses (pages 103-116)

Then look for the appropriate department or program heading, for example,
Art (ART)

Courses are grouped under these headings. For each course, you can find information like this:



You can use this information, together with the worksheet on the following page, to plan your schedule. Please note that evening courses are identified by a star (★). Courses administered by the Division of Corporate, Continuing, and Distance Education are identified by the code "ccde" (see pages 13-15 for more information about "ccde" courses).

If you still have questions, see "Where to Learn More" on pages 26-29.

To register, continue to "How to Use the Touch-Tone and World Wide Web Registration Systems" on pages 6-8.

How to Use the Touch-Tone and World Wide Web Registration System

What you can do by phone

If you are
- an undergraduate in any college other than CPCS
- a graduate student
- a continuing undergraduate non-degree student

You can
- register for a course or section
- add or drop a course or section after having previously registered
- hear or see a list of the courses for which you are registered
- change the number of credits of a variable-credit course for which you have previously registered

To do so, see "Registering, Adding, and Dropping Procedures" on pages 7 and 8. Please also review "Adding and Dropping Courses" on page 9.

You can also
- register (if you are an undergraduate) to take a course pass/fail, or change pass/fail status to normal grading status
- withdraw from a course

To do so, see "Pass/Fail and Course Withdrawal Procedures" on pages 11 and 12. Please also review "Taking Courses Pass/Fail" and "Withdrawing from Courses" on pages 9 and 10.

Please do not
use the systems to register for G100-level courses (First-Year Seminars), undergraduate CPCS competencies or instructional activities, or "ccde" courses.

What information you will need in order to register

After you have chosen your courses, be sure you know
- your access period (the period during which you can initiate registration, or add and drop courses)
- your student ID number
- your PIN (confidential personal identification number)
- the schedule number of each course section, including laboratory and discussion sessions, for which you wish to register. You should also be aware of the number of credits for each course.

When to place your call or use the Web

The systems operate Mondays through Thursdays, 9:00am-9:00pm; Fridays, 9:00am-4:45pm; and Sundays, 10:00am-9:00pm. The systems are not available on Saturdays.

To register or to add or drop a course
- if you are a continuing student, call or access the Web no later than September 9. If you have not already conferred with the appropriate advisor, be sure to do so.
- if you are a new student, call or access the Web after conferring with the appropriate advisor, and no later than September 9.

To add a course, call or access the Web
- no later than September 9.

To make or change a pass/fail selection, call or access the Web
- no later than November 6. Please see "Taking Courses Pass/Fail" on page 9.

To withdraw from a course, call or access the Web
- from September 10 through November 6. Please see "Withdrawing from courses" on page 10.

Touchtone Registering, Adding, and Dropping Procedures

(See page 8 for Web procedures.)

1 First, put all your information together.

To register, you must have the information indicated by the shaded boxes below. We recommend that you use these boxes to write it down. To avoid mistakes or conflicts, and to make a record of your choices, you should also write down the department name, course and section number, credits, and day and time for each course.

2 Then, at the appropriate time, call 617.265.2100.

Please call only during your access period. The system will be available Mondays through Thursdays, 9:00am-9:00pm; Fridays, 9:00am-4:45pm; and Sundays, 10:00am-9:00pm. When you call, it will prompt you for information in the order below. Be sure to include all laboratory and/or discussion sections required in multi-part courses. To erase an entry before completing it, enter an asterisk (*). If you have completed an incorrect entry, cancel the first entry and make a second, correct entry. For example, you can use code 90 and the incorrect schedule number to cancel a mistaken registration, and then code 10 and the correct schedule number to register for the right course.

Web Registering, Adding, and Dropping Procedures

(See page 7 for Touchtone procedures.)

1 **First, put all your information together.**

To register, you must have the information indicated by the shaded boxes below. We recommend that you use these boxes to write it down. To avoid mistakes or conflicts, and to make a record of your choices, you should also write down the department name, course and section number, credits, and day and time for each course.

2 **Then, at the appropriate time, go to www.umb.edu and select "Register for Courses."**

Please log on only during your access period. The system will be available Mondays through Thursdays, 9:00am-9:00pm; Fridays, 9:00am-4:45pm; and Sundays, 10:00am-9:00pm. When you log on, you will be asked for information in the order below.

A Your student ID number

B Your PIN (personal ID number)

C Your branch (use the menu)

- **1** Undergraduate
- **2** Undergraduate Non-Degree
- **3** Graduate
- **4** Certificate
- **5** 2nd Undergraduate Degree
- **6** Graduate Non-Degree

3 **Choose your courses and the actions you wish to take.**

A For each course, choose the appropriate department from the menu,

B click "Open Course List,"

C enter the schedule number of the course you are selecting,

D choose the action you wish to take (for example, add or drop),

E and click "Go" to record your choice.

Be sure to include all laboratory and/or discussion sections required in multi-part courses.

Please note that, when you log on, you will see a list of courses for which you are currently registered (if any). This list changes according to the instructions you give the system. When you log on next, the list will reflect all registration choices you have made up to that point.

If you want to take a course pass/fail, change back from pass/fail status, or withdraw from a course, please see pages 9 and 10.

4 **To end your session, click "LOGOFF."**

After You Register

Adding and Dropping Courses

What: After your initial registration, you may add (register for) one or more additional courses, or drop (cancel your registration for) any course for which you have registered. You should not drop required courses, such as a First-Year or Intermediate Seminar or a QR course, without consulting your advisor.

When: You may add or drop courses up through September 9, 2003. The touch-tone and Web registration systems will be available Monday-Thursday, 9:00am-9:00pm; Friday, 9:00am-4:45pm; Sunday, 10:00-9:00pm.

How: To add and drop courses, use the touch-tone or Web registration system and follow the instructions on page 7 or 8.

Waiting Lists, Confirmation Notices, Filled Courses

If you have been moved from a waiting list to an official class list, the course will appear on your schedule. If the course does not appear on your schedule, you are not registered for the course. If you are still interested in taking the course, and the touch-tone or Web system indicates that no space is available, please follow the instructions below:

- **Undergraduate students:** Contact the instructor (in the case of College of Liberal Arts and College of Science and Mathematics courses) or the student services office (in the case of the other colleges). The decision of the instructor or the department will be final.
- **Graduate students:** Go to the class. If there is space available, the professor must sign a registration form indicating approval for you to register for the course. The registration form must be submitted to the Registrar's Office no later than September 9.

Taking Courses Pass/Fail

What: If you are an undergraduate, you may take one course each semester on a pass/fail basis, up to a maximum of eight. (Mandatory pass/fail courses do not count toward this limit.) If you successfully complete the course, you will earn a grade of "P," and the course will be counted toward your graduation requirements, although it will not affect your cumulative grade point average. The grade of "F" will count as a failure. Please note: The requirements of your college, major, or program may not permit you to take certain courses pass/fail. Be sure to check these requirements carefully.

When: The pass/fail deadline is November 6. You can make pass/fail arrangements at any time after your initial registration until the deadline. The touch-tone and web registration systems will be available Monday-Thursday, 9:00am-9:00pm; Friday, 9:00am-4:45pm; Sunday, 10:00-9:00pm.

How: To take a course pass/fail, or to change pass/fail status to normal status, use the touch-tone or web system and follow the instructions on page 11 or 12.

Remember! 1) Be sure to check the requirements of your college or program before choosing the pass/fail option. 2) You cannot cancel a pass/fail choice after the deadline.

CLA, CSM, and CNHS Students Please Note!

The deadline for completing the Writing Proficiency Requirement has recently changed. For details, see pages 49-51. (This requirement applies to students in the College of Liberal Arts and the College of Science and Mathematics—the two colleges formed from the old College of Arts and Sciences—and to students in the College of Nursing and Health Sciences.)

Withdrawing from Courses

What: You may withdraw from any individual course. If you do so, you will be given a grade of "W," which will remain on your record but will not affect your cumulative grade point average. You may register for the course in another semester. You should not withdraw from required courses, such as a First-Year or Intermediate Seminar or a QR course, without consulting your advisor.

When: The course withdrawal deadline is November 6. You may withdraw at any time after September 9 until the deadline.

How: To withdraw from a course, or to cancel a course withdrawal, use the touch-tone or Web registration system and follow the instructions on page 11 or 12.

Remember! 1) If you do not attend classes, you will not be withdrawn automatically. Unless your instructor takes attendance and submits a grade of "NA" to the Registrar's Office, you will receive a grade of "F" for the course. 2) You cannot cancel a withdrawal after the deadline. 3) There are no refunds for course withdrawals.

Withdrawing or Taking a Leave of Absence from the University

What: If necessary, you may withdraw from all your courses, which is considered withdrawing from the university. You may also take a leave of absence. In either case, you will be given a grade of "W" for each course, which will remain on your record but will not affect your cumulative grade point average. If you withdraw early enough in the semester, you will be eligible for a partial refund (see page 40).

When: You may withdraw from the university or take a leave of absence as late as the last day of classes of a semester. The effective date of withdrawal will be the date on which all required forms are completed and returned to the appropriate offices.

How: You must confer with an appropriate advisor (for example, a staff member in the University Advising Center, a member of your dean's office staff, or your graduate program director) and complete and submit a withdrawal form. You must also receive clearance from any university office in which you have incurred financial charges.

Repeating Courses

Please Note: You may take any course a second time at UMass Boston, regardless of the grade you received the first time. Both grades will appear on your transcript, but only the second grade will count toward your grade point average. (You may take a repeated course pass/fail even if you didn't take it pass/fail at first.) You may only repeat a course once. You may repeat up to four courses. Courses that are offered in sequence, such as language, math, and science courses, may not be repeated out of sequence (For example, if you have completed Spanish 102 you may not repeat Spanish 101).
Note: You can repeat a UMass Boston course at another institution, and earn credit for the course you took at that institution, only if you originally were given an F in the course at UMass Boston.

Remember!

- **You are financially responsible for any course(s) for which you remain registered after September 9.**
- **You are expected to attend all scheduled classes. The instructor has the right to exclude you from a course if you are absent from the first two or more classes, regardless of the registration deadline.**
- **If you do not attend a course or are asked to leave, you must officially drop or withdraw from the course to avoid a failing grade.**

Touchtone Pass/Fail and Course Withdrawal Procedures

(See page 12 for Web procedures.)

1 First, put all your information together.

You must have the information indicated by the shaded boxes below. We recommend that you use these boxes to write it down. "CCDE" Courses

For the convenience of students UMass Boston offers a number of courses at off-campus locations in Braintree (Braintree High School), Plymouth (Cordage Park), downtown Boston (Copley Square), and at the university on Friday evenings and Saturdays, as well as additional sections of courses scheduled during the week or delivered on line via the World Wide Web. These courses and sections, which are administered by the university's Division of Corporate, Continuing, and Distance Education, are identified in the schedule by the code "ccde." They are like other UMass Boston courses and sections in terms of their substance and applicability to degree requirements, but the registration procedures, charges, and dates for them differ somewhat.

REGISTERING IN PERSON AND BY PHONE

You can register for "ccde courses" as follows.

Where: The Continuing Education Office at UMass Boston
Wheatley Hall, 2nd Floor, Room 203
When: Mondays-Thursdays, 8:30am–6:00pm; Fridays 9:00am–4:00pm*
July 28-September 27
*also Friday, September 12, 9:00am–7:00pm
Saturdays, 8:00am–5:30pm
September 13, 20, 27

You can also register for "ccde" courses by calling 617.287.7916. For phone-in registrations, payment may be made only by credit card (MasterCard, Discover, or Visa).

Please note that students registering after September 3 do so on a space-available basis and must pay a $25.00 late fee.

PLEASE NOTE

Costs and Calendars

For information about costs, or other additional information about registration for "ccde" courses, please call 617.287.7914. Please do not refer to the "Tuition, Payments, and Fees" section of this publication.

For information about course dates and deadlines, see "Registration-Related Dates to Remember" on page 2 and the complete academic calendar on the back cover.

Placement Testing for Computer Science, Math, English Composition, and ESL Courses

Before registering for math courses up to #140, you will be required to take a diagnostic placement test in math. New degree-seeking students are required to take a diagnostic placement test in reading and writing as part of the orientation process. Non-degree students who wish to take English composition courses (English 101, 101E, 102, and 102E) or ESL courses (ESL 100A through 100F) will be required to have their writing skills tested during the first class session. Non-degree ESL students are encouraged to have their writing skills evaluated before registering. Evaluations can be arranged at the Testing Center (M/3/612). For details and testing dates, please see "Testing" on page 34.

Regulations for Non-Degree Students

UMass Boston's academic regulations apply to students who are taking courses without having been admitted to degree programs. Please be sure to read the "Important Regulations and Requirements" beginning on page 19.

Professional Training Certificate Programs

The Division of Corporate, Continuing, and Distance Education offers credit and non-credit professional training programs to meet the needs of various business and professional groups, individuals seeking instruction in specialized fields or special skill development, and those who simply wish to explore new areas of interest. Most classes are scheduled during the evening, and some are available online.

The following certificate programs are currently offered either entirely or in part through CCDE.

Undergraduate

- Communication Studies
- Community Media and Technology
- Geographic Information Technologies

- Adult/Gerontology Nurse Practitioner
- Database Technology
- Dispute Resolution (K-12 Educators)
- Family Nurse Practitioner
- Forensic Services
- Instructional Technology Design
- Orientation and Mobility
- Teaching of Spanish
- Teaching of Writing
- Women in Politics and Public Policy

Non-Credit

- A+/Network+
- Alcoholism/Chemical Dependency Treatment Services
- Continuous Improvement/Lean Manufacturing
- Human Resources Management
- Integrated Marketing Communication
- Microsoft Certificated Systems Administrator (MCSA)
- Office Technology
- Project Management
- Spanish Court Interpretation
- Web Design
- Web Programming

To learn more about these certificate programs and other professional training opportunities, call the division at 617.287.7900, email them at continuing.education@umb.edu, or visit the Corporate, Continuing, and Distance Education web site at www.ccde.umb.edu.

On-Line Courses

UMass Boston offers a growing selection of undergraduate and graduate courses in an on-line, web-based format that are open to students throughout the world who meet the prerequisites. On-line courses follow the semester-based calendar of CCDE's off-campus courses, but students "attend" each week when and where they wish. Students interact with the instructor via e-mail, chat rooms, telephone, fax, and mail. Courses include exercises, readings, projects, on-line discussions, chat rooms, live chat, illustrations, and video. As an enrichment of the on-line learning experience, most classes offer optional on-campus class meetings.

On-line courses follow the same curriculum and carry the same academic credit as their counterparts taught live in the classroom. Several degree and certificate programs are available. They include:

- Communications Studies (undergraduate certificate)
- Community Media and Technology (undergraduate certificate)
- Technical Writing (undergraduate certificate)
- Adapting Curriculum Frameworks (graduate certificate)
- Instructional Technology Design (graduate certificate)
- Counseling: Mental Health Counseling (MEd degree)
- Counseling: School Guidance Counseling (MEd degree)

To learn about specific on-line courses offerings for the current semester and technical requirements for participating, or to obtain other information about on-line learning, visit www.ccde.umb.edu/dl or contact Kitty Galaitsis at 617.287.7925 or katharine.galaitsis@umb.edu.

College of Public and Community Service (CPCS) Courses

REGISTRATION FOR CPCS STUDENTS

Information about registration for students in the College of Public and Community Service (CPCS) is contained in a separate publication, *The CPCS Instructional Activity Book,* which is available in the CPCS Office of Student Services (W/4/151). CPCS Students now use a new on-line registration system to select their courses and competencies. Information about the system is available in the CPCS Office of Student Services.

Each CPCS student will receive, from the Registrar's Office, an "Invitation to Register" that will include that student's access period for registration. Each student should initiate registration during this access period to avoid a late charge and ensure enrollment in selected learning activities. If you do not receive an Invitation to Register, contact the Registrar's Office at 617.287.6200. All other questions regarding CPCS registration should be directed to the CPCS Office of Student Services (W/4/151; 617.287.7120).

REGISTRATION FOR NON-CPCS STUDENTS

Non-CPCS students may enroll in many CPCS courses (see the listings beginning on page 91. Interested students should call or visit the CPCS Office of Student Services (W/4/151; 617.287.7120).

Please note: When students register for CPCS courses they also register for related "competencies." It is only these competencies for which they are billed and earn academic credit, and the courses listed in this publication are therefore listed as 0-credit courses. The competencies related to these courses are equivalent to three credits each. Non-CPCS students should be sure to talk with their advisors about applying CPCS courses to non-CPCS requirements.

Non-Degree Students

UMass Boston offers many opportunities for non-degree students—that is, students who have not been formally admitted into the university. Many of these students take courses in order to sample UMass Boston's offerings and strengthen their skills before applying for admission to a degree or certificate program. Others enroll because individual courses can help them advance in their current careers or prepare for new careers, or simply because they seek the personal growth and enrichment that university study can give them.

In this publication's schedule listings, you will find courses offered on weekdays and Saturdays at UMass Boston's Harbor Campus, and on weekdays at off-campus locations in Braintree and downtown Boston. For the convenience of working students, many courses meet during late afternoon or evening hours (these courses are identified in the schedule listings with a star).

If you are interested in attending UMass Boston as a non-degree student, you should know that:

- you can take any course for which you meet the prerequisites, and in which space is available (for graduate courses you will also need the permission of the graduate program director),
- you can call or visit us for academic advising before you register for undergraduate courses,
- you can register by phone for undergraduate courses,
- you can often use credits you earn as a non-degree student to meet UMass Boston degree requirements (up to 16 for undergraduates, 6 for graduate students—be sure to apply to a degree program before you reach your limit!),
- your UMass Boston ID will entitle you the use of all university facilities, and
- you'll be welcome!

Please note: The information below about registration and costs applies to most courses offered at the UMass Boston campus. Additional courses and sections, most of them offered at off-campus locations, and at UMass Boston on Friday evenings and Saturdays, are administered by the University's Division of Corporate, Continuing, and Distance Education, and are identified in the schedule by the code "ccde." They are like other UMass Boston courses and sections in terms of their substance, faculty, and relationship to degree requirements, but the registration procedures, charges, and dates for them differ somewhat. Please see "CCDE Courses"on pages 13-15.

If you have F-1 visa status, you may not enroll as a non-degree student at UMass Boston unless you are also enrolled full-time at the institution that issued your I-20. For details, please see "Information for International Students" on page 21.

NON-DEGREE REGISTRATION FOR UNDERGRADUATE COURSES

When to Register

Regular undergraduate non-degree registration will begin August 11 and continue through September 9.

During the registration period, walk-in and telephone registration, as well as academic advising, will be available during the following hours:

Monday - Thursday	9:00am-6:00pm
Friday	10:00am-4:00pm

Late registration is possible (see page 20), but a far wider selection of courses will be available if you register on time—the earlier, the better.

How and Where to Register

Walk-In Registration
Come to the Registrar's Office, which is on the first floor of the Quinn Administration Building, during the registration period (see the dates and hours above). The staff will give you detailed information about registration, courses, and locations, as well as the appropriate forms. (Please also see "Payments for Non-Degree Students" on page 21.) We recommend that you bring unofficial transcripts from any college you have attended should you need to demonstrate that you have met course prerequisites.

Telephone Registration (617.287.6212)
You can also register by calling the Registrar's Office at 617.287.6212 during the regular non-degree registration period (see the hours on page 17). Please be ready to refer to the course listings in this publication. Each course section has its own six-digit schedule number, which appears to the left of the course number and title. You will need to use this schedule number to identify the section you want to enroll in. The staff will give you registration instructions when you call, and will also give you information about payment procedures. (Please also see "Payments for Non-Degree Students" on page 21.)

Academic Advising

We encourage you to visit the university during the regular non-degree registration period for academic advising before you register (see the hours on page 17). Come to the Registrar's Office to meet with an advisor and discuss your course selections and your academic plans. We recommend that you bring unofficial transcripts from any colleges you have attended.

Please note: Advising can be particularly important because many courses have prerequisites that students must meet before enrolling. At the university you can consult the UMass Boston *Undergraduate Catalog* for information about courses and prerequisites. The catalog is also available in most public libraries and at UMass Boston's World Wide Web site (www.umb.edu). Please see "Where to Learn More" on pages 26-29. If you have questions about the registration process, call 617.287.6200.

NON-DEGREE REGISTRATION FOR GRADUATE COURSES

When to Register

Registration schedules vary according to program. In the case of some programs, registration for non-degree students begins early in January; in other cases, students begin to register shortly before classes begin. For information, contact the appropriate graduate program director, using the directory on the next page. Please remember that classes begin September 2, and that the final deadline for course registrations is September 9. Be sure to register as early as possible. The sooner you begin, the greater your chances will be of finding space in the course(s) you want.

How to Register

First, contact the appropriate graduate program director to discuss your preparation for the course or courses you are interested in and the availability of space in any course you wish to take. If you are eligible, the program director will arrange to give you a registration form carrying an approval signature.

Once you have obtained this form, take it to the Bursar's Office (Quinn Administration Building, Second Floor). For registration period hours, see page 22. You will be required to submit payment with your form: please see "Payments for Non-Degree Students" on page 21.

Please note: We encourage you to consult the UMass Boston *Graduate Bulletin* for program and course descriptions and information about prerequisites. Copies of the bulletin are available at the Graduate Admissions Office and at most public libraries. You can obtain a copy by mail from the university by calling 617.287.6000, but you should be aware that your copy may not reach you for a week. You can also find information from the *Graduate Bulletin* at UMass Boston's World Wide Web site (www.umb.edu). Please see "Where to Learn More" on pages 26-29.

IMPORTANT REGULATIONS AND REQUIREMENTS FOR NON-DEGREE STUDENTS

Academic Regulations

The University's academic regulations apply to non-degree students, just as they do to other UMass Boston students. All students should consult the University's *Undergraduate Catalog* or *Graduate Bulletin* for information about academic programs and requirements. The following regulations are of critical importance to non-degree students.

- Non-degree undergraduate students must meet the following minimum retention standards.

Total UMass Boston credits taken	Minimum required cumulative average
1-11	1.75
12 or more	2.00

- Non-degree graduate students must maintain a 3.0 average in all graduate courses.

- If a student's cumulative average at the end of any semester has fallen below the required level, that student will not be permitted to take UMass Boston courses in future semesters. The cumulative average will be based on grades for all UMass Boston courses that the student has taken as a non-degree student at any time.

- If a non-degree student is admitted to an undergraduate degree program, that student may count as many as 16 credits earned as a non-degree student toward the degree, subject to the approval of the appropriate academic dean.

- No more than 6 credits earned as a graduate non-degree student may be applied toward a graduate degree or certificate.

- Any undergraduate student may choose to take one course per semester or summer on a pass/fail basis, up to a maximum of eight. The course must be chosen before the appropriate pass/fail deadline in the academic calendar. If the student successfully completes the course, it will count toward degree requirements. See "Taking Courses Pass/Fail" on page 9.

- Graduate students may not take any courses on a pass/fail basis.

Placement Testing for Computer Science, Math, English Composition, and ESL Courses

Before registering for math courses up to #140, you will be required to take a diagnostic placement test. If you wish to take English composition courses (English 101, 101E, 102, 102E) or ESL courses (ESL 100A-100F), you will be required to have your writing skills tested during the first class session. For details, please see "Testing" on page 34.

International Students Please Note!

No student with F-1 visa status may register at UMass Boston as a non-degree student unless the student is also registered for a full course of study at the institution that has issued the student's I-20. If you are not studying full-time at the school that issued your I-20, you are out of status with the INS. Students on other visa statuses (such as F-2, J-2, H-4, H-1B) usually do not need to be studying full-time or in a degree program. Check the conditions for your particular status. For more information, please see "Information for International Students" on page 21.

LATE REGISTRATION FOR NON-DEGREE STUDENTS

Late registration will be possible during the period from September 2 through September 9. To register for undergraduate courses, come to the Registrar's Office. For registration period hours, please call 617.287.6200. The staff will give you detailed information about registration, courses, and locations, as well as the appropriate forms. Remember that you must bring your payment to the Bursar's Office (Quinn Administration Building, 2nd floor lobby) no later than September 9. For Bursar's Office hours, call 617.287.5350.

To register for graduate courses, follow the procedures described in "Non-Degree Registration for Graduate Courses" on page 18.

Please note: Registration for off-campus and "ccde" Saturday courses is possible through September 27 (there is a $25 late fee after September 3). Please see "CCDE Courses on pages 13-15.

PAYMENTS FOR NON-DEGREE STUDENTS

Tuition and Fees

For tuition and fee rates, please see "Tuition, Fees, and Payments" on pages 22-24. Please note that the payment procedures described there apply to degree-seeking students.

Paying for Courses

You must pay in full no later than September 9 at the Bursar's Office (Quinn Administration Building, 2nd floor lobby). For registration period hours, see "How to Pay" on page 22. You may pay with cash, or a check or money order made out to UMass Boston, or using VISA, Discover, or MasterCard.

Information for International Students

If you have or seek F-1 visa status, and you want to seek a degree at UMass Boston,

- you must apply to and be accepted into a degree program at UMass Boston;
- you must submit acceptable financial documentation to the UMass Boston Undergraduate or Graduate Admissions Office, in order to receive an I-20;
- you must receive and sign your UMass Boston I-20;
- you must register for and complete a full course of study at UMass Boston each semester (12 credits for undergraduate students, 9 for graduate students);
- you must attend the New Student Conference and INS Workshop to process your documents, where you will learn more about the conditions you must follow. Information about these events will be mailed to you.

If you are transferring from another institution, your old I-20 will no longer be valid.
You must receive a new UMass Boston I-20. It is extremely important that you attend the New Student Conference and INS Workshop at UMass Boston, so that we can notify INS of your transfer.

If you have F-1 visa status, and you want to attend UMass Boston as a non-degree student,

- you must also be taking a full course of study at another college or university, and you must have a valid I-20 from that school.
- If you are no longer attending another college or university, and you wish to study at UMass Boston, you must be admitted to a UMass Boston degree program (see the instructions above).
- If you do not follow these regulations, you will be out of status with the INS.

If you have a visa status other than F-1, different conditions apply.

- If you have J-1 status, you should also be a full-time student but must follow other, different regulations. Call Lurlene Van Buren at the University Advising Center with questions (617.287.5500).
- Students with many other visa statuses, especially dependent statuses (F-2, J-2, H-4, E-2, L-2, etc.) or working statuses (H-1B, etc.) do not need to maintain full-time enrollment. Check the conditions for your particular status.

Tuition, Fees, and Payments

Your Financial Obligation

If you register for any course, and are accepted into it, you must pay for the course in full unless you:
- drop the course by September 9 (see "Adding and Dropping Courses" on page 9), or
- withdraw from all your courses early enough to be eligible for a refund (see "Withdrawing from the University" on page 10 and "Refunds of Tuition and Fees" on page 23).

You will be financially responsible for any course for which you remain registered after September 9 even if you
- withdraw from all your courses after the fifth week of classes,
- withdraw from the individual course after September 9, or
- receive a grade of "NA."

Please see "Current Tuition and Fees" on page 24.

Paying on Time

The due date for paying your tuition and fees appears on your most recent bill from the UMass Boston Bursar's Office. You must pay your bill by the initial due date. Any one of the following three actions, or a combination of two or three, will meet this requirement:
- Full payment by the due date of all charges with cash, a money order, or a credit card (VISA, MasterCard, and Discover Card are accepted).
- Enrollment and active participation in the Interest Free Tuition Payment Plan offered through Academic Management Services (for information, call 1.800.635.0120).
- Official notification received by the Bursar's Office of eligibility for financial aid that will cover all of your charges or the remaining balance in your account.

If you have not paid by the initial due date, you will be subject to late fees, you will have an administrative hold put on your record, and you will still be held responsible for paying your bill.

How to Pay

You can pay your bill by mail or in person.
- To pay by mail, follow the instructions on your bill.
- To pay in person, come to the Bursar's Office (Q/2/071). Regular teller hours are M-F, 9:00-4:30. Hours from September 2 through September 15 are M-Th, 8:00-7:00, and F, 8:00-4:30.

University Payment Policy

University policy requires that no registration be considered complete until the semester charges are paid in full. Charges are computed on the basis of courses/programs for which students are registered. Initial bills are sent in July (for the fall semester) and in December (for the spring semester) to all students who have already registered.

Late registrants are billed after the add/drop deadline. Note: Non-degree students must pay in full at the time of registration. Follow-up billings will be made periodically, reflecting any additional charges, payments, or credits that have occurred within the semester period. Each student must pay all charges in full prior to the due date indicated on the initial bill to avoid late charges or cancellation of registration and financial aid. No time or deferred payments are allowed by the university.

Remember!

- **You are financially responsible for any course(s) for which you remain registered after September 9.**
- **You are expected to attend all scheduled classes. The instructor has the right to exclude you from a course if you are absent from the first two or more classes, regardless of the registration deadline.**
- **If you do not attend a course or are asked to leave, you must officially drop or withdraw from the course to avoid a failing grade.**

Overdue accounts will be considered sufficient cause for cancellation of registration, as university regulations prohibit final registration, graduation, or granting of credit for any student whose account with the university is unpaid. Any delinquent accounts will be cause for administrative withdrawal and must be paid prior to readmission to the university. Unpaid accounts will be referred for collection action, to include collection costs of 25% added to the outstanding bill.

Refunds of Tuition and Fees

In general, students who withdraw from the University receive refunds as follows:

Date of Withdrawal	Percentage Refunded
Before the first class meeting	100%
During the first two weeks of classes	80%
During the third week of classes	60%
During the fourth week of classes	40%
During the fifth week of classes	20%
After the fifth week of classes	No Refund

Students who are receiving federal financial aid and withdraw from the University may be subject to a different policy. For information, contact the Financial Aid Services Office.

Residency Reclassification

If you have been classified as not a resident of Massachusetts and you wish to appeal for reclassification as a Massachusetts resident, you must file your appeal no later than September 9. Forms and information are available in the undergraduate and graduate registrar's office.

Tuition Surcharge Policy

Undergraduates who earn more than 118% of the credits required for graduation must pay for additional credits at the non-resident rate. Normally the surcharge will apply to credits beyond a total of 141. There are several exceptions to this policy:

- Students who transfer into UMass Boston are exempt.
- Credits earned at other institutions after a student enrolls at UMass Boston, and transferred in, do not count toward the total.
- Credits earned through the Division of Corporate, Continuing, and Distance Education do not count toward the total.
- Credits earned for programs requiring more than the normal 120 do not count toward the total.

Please note:

The costs of offering most UMass Boston course sections have been met in part with financial support from the Commonwealth of Massachusetts. Due to a reduction in the state appropriation to the university, a number of these sections will no longer have state support. In order to continue to offer them, the university will offer them without state support through its Division of Corporate, Continuing, and Distance Education starting in fall 2002.* The schedules for these course sections, and the procedures for registering and paying for them, will remain as described in this publication. However, charges for them will appear separately on Bursar's Office bills as "non-state course fees." Students will continue to be charged for a maximum of 12 credits, and will be billed first for state-supported courses. This means (for example) that a student who takes 15 credits, 9 of which are state-supported, will be billed for 9 state-supported credits and 3 non-state-supported credits. The course fees for non-state-supported courses will be the same per credit as the in-state tuition charges shown on page 44.

*These non-state-supported sections are not those identified in this publication as "ccde" sections.

For further information...

Visit or call the Bursar's Office (Q/2/071; regular teller hours: M-F 9:00-4:30; special teller hours from September 2 through September 15: M-Th, 8:00-7:00, and F, 8:00-4:30; billing information hours: M-F 8:30-5:00; phone: 617.287.5350).

Undergraduate Teacher Education

The undergraduate Teacher Education Program, located in the Graduate College of Education, offers students in the College of Arts and Sciences a four-semester sequence of education courses and field work through which they prepare for certification at the early childhood, elementary, middle school, and secondary levels. (Note: Undergraduates prepare for teaching physical education in the Exercise Science and Physical Education Program of the College of Nursing and Health Sciences.)

Honors Program

The Honors Program now offers exceptional academic opportunities for all qualified undergraduates.

Two UMass Boston Colleges in Place of One

As of fall 2003, the College of Arts and Sciences (CAS) has been divided into two colleges, the College of Liberal Arts (CLA) and the College of Science and Mathematics (CSM).

The various academic requirements that applied to CAS students now apply, without any changes, to students in the two new colleges. For example, students in these colleges must all meet certain General Education requirements no matter which college they are enrolled in; and requirements for the BS degree differ from those for the BA just as before. CLA and CSM requirements are presented together on pages 36-44.

Students who have already declared majors will be assigned to colleges according to their majors. If a student has two majors, one in each college, the student will be given an opportunity to choose between CLA and CSM. If a student is pursuing an individual major, the student will be assigned to the college housing the department of the student's major advisor. If a student changes from a major in one college to a major in the other, the student will automatically change colleges as well.

Students who have not declared majors will be given an opportunity to choose between CLA and CSM.

The two new colleges house majors as follows:

College of Liberal Arts Majors

Advising and Testing

ACADEMIC ADVISING

We strongly encourage you to confer with the appropriate advisor about your course selections and academic requirements before attempting to register. For some students, advising before registration is a requirement, and this may be the case for you. You can find knowledgeable advisors in the offices listed below.

- **If you are in the College of Liberal Arts or the College of Science and Mathematics and you have not declared a major,** seek advising in the University Advising Center (see below).
- **If you are in the College of Liberal Arts or the College of Science and Mathematics and you *have* declared a major,** seek advising in your major department (see the list of locations and phone numbers on page 28). For matters not related to your major, you can also use the services of the University Advising Center (see below).
- **If you are in the College of Management and you have not declared a concentration,** go to the University Advising Center (see below).
- **If you are in the College of Management and you *have* declared a concentration,** seek advising in your concentration department (see the list of locations and phone numbers on page 28). You can also get information in the college's Undergraduate Program Office (M/5/603; 617.287.7760) and use the services of the University Advising Center for matters not related to your concentration (see below).
- **If you are in the College of Nursing and Health Sciences, including the Exercise Science and Physical Education Department**, see the faculty advisor who has been assigned to you, or go to the college's Student Affairs Office (S/2/015; 617.287.7500).
- **If you are in the College of Public and Community Service,** seek advising from your faculty advisor or in the college's Student Services Office (W/4/151; 617.287.7120).

THE UNIVERSITY ADVISING CENTER

The University Advising Center provides many services, including

- academic advising for Liberal Arts, Science and Mathematics, and Management students
- career advising and an on-campus recruitment program (alumni are also eligible)
- a career resource library (open M-F, 9:00am-5:00pm)
- co-op and internship placements
- access to study-abroad programs and the National Student Exchange Program
- advising for international students (see "Information for International Students" on page 21).

You can call or visit the center at:
Location: M/3/625
Hours: M-Th, 8:30am-6:00pm. F, 8:30am-5:00pm.
(Summer and vacation hours are M-F, 8:30am-5:00pm.)
Phone: 617.287.5500
Email: uac@umb.edu
Website: http://uac.umb.edu

Location Key

C = Clark Athletic Center
H = Healey Library
M = McCormack Hall
Q = Quinn Administration Building
S = Science Center
W = Wheatley Hall
Locations are given by building, floor, and room, in that order.
For example, W/1/012 means Wheatley Hall, first floor, room 012.

TESTING

Appropriate preparation is especially important for students taking certain introductory courses, and the University wants to be certain that students in these courses have the skills they need for success. The University therefore uses diagnostic testing to place students in the courses that will serve them best.

The Math Diagnostic Test

Before registering for math courses up through #140, computer science courses up through #110, or any QR course, students must demonstrate their skills by taking a diagnostic test, unless they have completed the appropriate prerequisite course(s) at UMass Boston (transfer equivalences do not count).

All testing sessions take place in the UMass Boston Testing Center (M/3/612). There is no fee, and no appointments are necessary. Tests are given at the hours specified below; please arrive on time. Each test takes approximately one hour. Results can usually be obtained between one and two hours from the time one finishes testing. A photo ID is required at the test session. Calculators, books, or notes are not allowed. Practice exams are available at the Advising Center website: http://uac.umb.edu. For further information, please call 617.287.5522.

The test will be offered at the following dates and times in April, May, June, and July.

April 2003		May 2003		June 2003	
17 (Thursday)	5:30pm	1 (Thursday)	5:30pm	4 (Wednesday)	2:00pm
23 (Wednesday)	10:00am	2 (Friday)	1:00pm	5 (Thursday)	5:30pm

30 (Wednesday)	10:00am	13 (Tuesday)	1:00pm		
		14 (Wednesday)	10:00am	**July 2003**	
		15 (Thursday)	5:30pm	1 (Tuesday)	1:00pm
		20 (Tuesday)	1:00pm	3 (Thursday)	10:30am
		21 (Wednesday)	2:30pm	7 (Monday)	1:00pm
		27 (Tuesday)	10:00am	8 (Tuesday)	3:00pm
		29 (Thursday)	5:30pm	14 (Monday)	10:00am
				15 (Tuesday)	1:00pm

The test will also be offered in August and September. For information about dates during those months, visit the University Advising Center website: www.uac.umb.edu.

The Reading/Writing Diagnostic Test

New degree-seeking students are required to take a diagnostic placement test in reading and writing as part of the orientation process. Non-degree students who wish to take English composition courses (English 101, 101E, 102, and 102E) or ESL courses (ESL 100A through 100F) will be required to have their writing skills tested during the first class session. Non-degree ESL students are encouraged to have their writing skills evaluated before registering. Evaluations can be arranged at the Testing Center (M/3/612) at the times given above for math testing.

Please note: ESL students who are taking courses in the English Language Study Program of the Division of Continuing, Corporate, and Distance Education must meet different testing requirements. For further information, call 617.287.7876.

CLEP EXAMS

CLEP (the College Level Proficiency Examination Program) is a national program through which students can earn college credit for what they already know. The program conducts standardized exams that measure proficiency in college-level areas of history and social sciences, foreign languages, English composition and literature, science and mathematics, business, and the humanities. Please note: As of fall 2002 students may not earn foreign language course credit at UMass Boston with CLEP exam results. Students may only use CLEP exams to demonstrate elementary language proficiency in order to meet a distribution II requirement.

UMass Boston is a CLEP center, and CLEP exams are given here every Thursday. Reservations are required. You can pick up a CLEP application at the UMass Boston Testing Center (M/3/612), or call 617.287.6000 for more information.

The General Education Requirement

UMass Boston began implementing a new General Education Program in fall 2000. Its requirements vary according to the academic year in which students have matriculated, and they also vary from college to college, as do the terms with which they are described. But they typically involve special seminars; a quantitative reasoning course; and writing, distribution, and diversity requirements.

The first goal of the General Education Program is to give students, at the beginning of their college careers, a strong foundation for success in courses they will take later on. More specifically, it will help students:

- engage in critical reading and analysis;
- understand and respect human diversity;
- explore the principal approaches to knowledge;
- learn in depth;
- speak, listen, and write effectively;
- reason logically and quantitatively;
- use technology to further education; and
- work independently and collaboratively.

The program also aims to strengthen students' capacity for learning—and for making their way successfully in the world—throughout their lives.

This publication includes current information about General Education requirements for new and transfer students in the College of Liberal Arts and the College of Science and Mathematics, (see pages 36-44), the College of Management (see page 45-46), and the College of Nursing and Health Sciences, including the Exercise Science and Physical Education Department (see pages 47-48). It also includes listings for First-Year and Intermediate Seminars, which many of these students are required to take (see pages 57-63). Please note that students absent from the university for four or more consecutive semesters are subject to all requirements and policies in effect the semester they return. The degree audit report you receive after each semester will show your progress toward meeting the requirements that apply to you.

Remember!

- **You are financially responsible for any course(s) for which you remain registered after September 9.**
- **You are expected to attend all scheduled classes. The instructor has the right to exclude you from a course if you are absent from the first two or more classes, regardless of the registration deadline.**
- **If you do not attend a course or are asked to leave, you must officially drop or withdraw from the course to avoid a failing grade.**

College of Liberal Arts*
College of Science and Mathematics*

Undergraduate study in the College of Liberal Arts (CLA) and the College of Science and Mathematics (CSM) involves preparation in general education; a major field of study; and electives that complement the major and provide the breadth and depth of a liberal education. To earn the bachelor's degree all CLA and CSM students must meet the general education, major, total credits, and grade point average requirements described here (requirements for the BA differ somewhat from those for the BS). For more information about these requirements, please see the *Undergraduate Catalog* or the advising materials you received during the orientation process.

If you matriculated in or after fall 2002, you can find a checklist of the requirements that apply to you on page 44.

GENERAL EDUCATION REQUIREMENTS

Various new requirements have been phased in during the past several years, and the requirements that apply to you therefore depend on the semester in which you matriculated (began your degree program) at UMass Boston. The requirements also vary according to the number of transfer credits you matriculated with, and you can meet some of them with transfer credit. To find your requirements, please look for your semester of matriculation and number of transfer credits in the following table.

When you matriculated	Transfer credits you matriculated with	Your General Education requirements
Before Fall 2000	Any number	■ **Freshman Writing**. A year of Freshman English (ENGL 101/101E and 102/102E). ■ **Core**. For information, see page 40. ■ **Distribution I**. For information, see page 41. ■ **Writing Proficiency**. For information and deadline, see pages 49-51. ■ **Diversity**. For information, see pages 52-55.

THE MAJOR

CLA and CSM students must complete the requirements of one of the majors offered by the colleges. In most cases, transfer students must complete a minimum of five courses in their major at UMass Boston. Major requirements are listed by department in the *Undergraduate Catalog*. Students may also design an individual major under the supervision of a faculty member. Information on this option is available from the Academic Support Office (M/3/421).

TOTAL CREDITS

CLA and CSM students must acquire a minimum of 120 credits to graduate, at least 30 of which must be earned at UMass Boston. Please note that the following courses do not count toward this graduation requirement, although they do count toward the semester course load: ESL courses other than 100D; English 099; Math Skills 097, 098, and 099.

GRADE POINT AVERAGE

To graduate, students must achieve a minimum cumulative grade point average of 2.0, calculated only from UMass Boston courses; see the *Undergraduate Catalog* for details. Some majors require a specific average in courses taken toward the major; see the major departments for more information.

ADDITIONAL B.S. DEGREE REQUIREMENTS

In addition to the requirements above, students seeking the BS degree in biology, chemistry, geography, mathematics and computer science, physics, or psychology must complete six semester courses in science or mathematics/computer science outside their major discipline. Specific BS degree requirements for each major appear in the departmental sections of the *Undergraduate Catalog*.

WAIVERS OF WRITING REQUIREMENTS

Under certain conditions, the Verbal Reasoning and Expression (Freshman Writing) Requirement may be waived. For information, see the English Department.

The Writing Proficiency Requirement may not be waived unless you have already earned an undergraduate degree, in which case you may petition for a waiver.

COURSE LOADS

Students may enroll for no more than 16 credits during their first semester at UMass Boston. After this semester, a student may take additional credits if the student's cumulative grade point average is 3.0, or the average is 3.5 for the previous full-time semester, and written permission is secured from the assistant dean for undergraduate education (in the Academic Support Office, M/3/421).

REQUIREMENTS OF SPECIAL PROGRAMS

Students enrolled in the following programs should be sure to see the *Undergraduate Catalog* for additional information:

- Management Minor for CLA and CSM Students
- Joint Baccalaureate-MBA
- Undergraduate Teacher Certification

THE CORE REQUIREMENT

(Applies only to students who matriculated before fall 2000 with 29 or fewer credits.)

If you matriculated with 29 or fewer credits before fall 2000, your Core Requirement has changed. Two Core courses are required, not five, and these may be any combination of C100-level and C200-level courses.

Core courses are no longer offered. If you have not already met this revised requirement, you must complete an Intermediate Seminar (a G200-level course). These seminars are listed according to the departments that offer them, and also in a separate section on pages 58-60. They do not count for distribution credit.

Some former Core courses will continue to be offered, but without the C-designation. If you previously took a Core course and need to repeat it to remove an F or improve the grade, you may take the non-Core version for this purpose. Consult the appropriate department for continuing course offerings.

PLEASE NOTE!

Students absent from the university for four or more consecutive semesters are subject to all requirements and policies in effect the semester they return.

CLA, CSM, and CNHS Students Please Note!

The deadline for completing the Writing Proficiency Requirement has recently changed. For details, see pages 49-51. (This requirement applies to students in the College of Liberal Arts and the College of Science and Mathematics—the two colleges formed from the old College of Arts and Sciences—and to students in the College of Nursing and Health Sciences.)

DISTRIBUTION REQUIREMENT I

(for students who matriculated before fall 2002)

To develop a broad familiarity with the range of human knowledge, students must complete, or earn transfer credit for:

- twelve courses, distributed among
- seven areas of study,
- with the option of omitting one area.

Most 100- and 200-level CLA and CSM courses are assigned to areas of study and count toward this requirement. Such courses are offered by many departments. They are identified in the *Undergraduate Catalog*, and are also identified in the schedule section of this publication by one-letter codes. The areas and their codes are:

A	The Arts
F	Foreign Languages
H	Historical and Cultural Studies
M	Mathematics and Computer Science
N	Natural Sciences
P	Philosophical and Humanistic Studies
S	Social and Behavioral Sciences

Please note: Students granted a foreign languages waiver or a mathematics waiver need take only ten courses toward the distribution requirement (or eight, if they are granted both waivers).

Foreign language waiver: Students who present placement scores or transcripts demonstrating proficiency in a foreign language at the level of fourth-semester college work (if they are seeking the BA) or second-semester college work (if they are seeking the BS) will receive a waiver of two courses in the foreign language area. Native speakers of languages other than English are encouraged to apply for this waiver. For information about the waiver, see the appropriate foreign language department or, for languages not taught at UMass Boston, the assistant dean for undergraduate education (in the Academic Support Office, M/3/421).

Mathematics waiver: Students who present transcripts demonstrating proficiency in mathematics at a level above college calculus II (MATH 141 at UMass Boston) will receive a waiver of two courses in the mathematics area. Students granted this waiver need take only ten courses toward the distribution requirement. For information about this waiver, see the Mathematics Department.

Please note: Q114 is the same course that has previously been given as Inter-D 114. If taken prior to fall 2002 this course may count for distribution requirement in the mathematics area for all students except those who must fulfill the Quantitative Reasoning Requirement (i.e. students matriculating in or after fall 2000).

DISTRIBUTION REQUIREMENT II

(for students who matriculated in or after fall 2002)

To develop a broad familiarity with the range of human knowledge, students must complete, or earn transfer credit for, certain courses in the following areas of study.

- Arts, Humanities
- Natural Sciences, Mathematics
- Social and Behavioral Sciences
- World Languages, World Cultures

Three of the areas are subdivided. Many departments offer courses that meet the distribution requirement, and represent the areas and subdivisions. The courses are identified in this schedule book with two-letter codes. They are to be completed according to the table below. The requirements for the BA degree differ somewhat from those for the BS.

Area	BA Requirements	BS Requirements
AR Arts HU Humanities	3 courses, including both AR and HU	1 AR course and 1 HU course.
MT Mathematics NS Natural Sciences	3 courses, at least one of which must be NS. Any mathematics course must be MATH 125 or higher (and identified as an "MT" course).	4 courses, at least one of which must be NS. Any mathematics course must be MATH 141 or higher (and identified as an "MT" course).
SB Social and Behavioral Sciences	3 courses.	2 courses.
WC World Cultures WL World Languages	Elementary proficiency in a language other than English (see next page) *and* 2 courses, WC or WL or both.	1 WC or WL course (if WL, at 102 level or higher).
Total courses	11 courses.	9 courses.

The Residency Requirement

UMass Boston's General Education Program is intended to develop capabilities that are critical for advanced academic work, and these capabilities are stressed in UMass Boston distribution courses. Every student who enters UMass Boston with 0-89 credits must therefore take a certain minimum number of distribution courses at UMass Boston, according to the following table.

If a student enters with	the student must take at least
0-29 credits	9 distribution courses at UMass Boston
30-59 credits	6 distribution courses at UMass Boston
60-89 credits	3 distribution courses at UMass Boston
90 or more credits	0 distribution courses at UMass Boston

The Elementary Language Proficiency Requirement (BA Candidates Only)

Students can meet this requirement by

- completing or transferring in a college foreign language course at the 102 level or higher. If a student completes or transfers in two semesters of the same language (such as 101 and 102), the student will also meet the two-course WC/WL requirement.
- completing three years of the same foreign language in high school.
- completing at least one year of secondary or post-secondary education in a non-English-speaking school or university.
- scoring three or higher on an AP exam in a foreign language, or scoring 50 or higher on a CLEP exam in a foreign language.
- demonstrating proficiency to the appropriate language department or, if the language is not taught at UMass Boston, to the assistant dean for undergraduate education.

Please note: Students who have met this requirement may not take elementary language courses at UMass Boston in the language with which they met the requirement, except in unusual circumstances. For further information about the requirement, please see the chair of the appropriate department.

LEVEL I AND II COURSES

Level I and Level II courses are chosen from CAS and/or CSM courses. To meet the Level I requirement, students must successfully complete two courses at any level in each of the following areas: humanities, natural sciences, and social sciences. To meet the Level II requirement, students must complete any four CAS and/or CSM courses at the 200 level or above.

If you matriculated in or after fall 2000 with 0-29 transfer credits, one of the Level I courses must be a First-Year Seminar (a G100-level course). First-Year Seminars scheduled for the upcoming semester are listed on pages 57-58 and 61-63.

SEMINAR REQUIREMENTS

These requirements depend on the number of credits you transferred to UMass Boston when you began your degree program, according to the following chart. First-Year and Intermediate Seminars scheduled for the upcoming semester are listed on pages 57-58 and 61-63.

Transfer credits you matriculated with	Your seminar requirements
0-29	A First-Year Seminar (a G100-level course) in your first semester and MGT 330 later as part of your management requirements.
30-59	An Intermediate Seminar (a G200-level course) in your first semester and MGT 330 later as part of your management requirements.
60-89	An Intermediate Seminar (a G200-level course) in your first semester and MGT 330 later as part of your management requirements. *Or* MGT 330 in your first semester and any non-business elective (accepted in place of a seminar).
90 or more	Any non-business elective (accepted in place of a seminar) and MGT 330 as part of your management requirements.

THE DISTRIBUTION REQUIREMENT

Courses that meet the distribution requirement are offered by the College of Liberal Arts (CLA) and the College of Science and Mathematics (CSM) in several areas of knowledge. The areas are identified in the CLA and CSM schedule listings by two-letter codes as follows:

AR	Arts	MT	Mathematics	WL	World Languages
HU	Humanities	SB	Social and Behavioral Sciences	WC	World Cultures
NS	Natural Sciences				

If you began your degree program with 0-89 transfer credits, you must complete a certain number of distribution courses at UMass Boston, according to the following chart.

Transfer credits you matriculated with	Number of distribution courses you must complete at UMass Boston
0-29	At least four
30-59	At least three
60-89	At least one
90 or more	None

THE DIVERSITY AND INTERNATIONAL MANAGEMENT REQUIREMENTS

International Management Requirement Course _____
Diversity Requirement Course _____

All students must complete coursework that fulfills both the diversity requirement and the international management requirement. These requirements are met by level I/II courses, distribution courses, or electives. A single course can meet both requirements simultaneously. Please note that students from foreign countries must choose an international management course emphasizing a country other than their own.

Diversity courses are offered by the College Liberal Arts (CLA) and the College of Science and Mathematics (CSM). A complete list can be found on pages 53-55. Courses offered during the upcoming semester are identified in the schedule listings with these symbols:

International management courses, offered by CLA, CSM and CM, are identified in the schedule listings with this symbol:

CM

IMPORTANT POLICIES AND OTHER INFORMATION

- Complete, detailed information about curriculum and graduation requirements can be found in the College of Management (CM) *Undergraduate Program Student Handbook*, which is available in the college's Undergraduate Program Office (M/5/603).
- 120 credits and fulfillment of all requirements are required for graduation. A minimum of 30 credits must be earned at UMass Boston. CM coursework is sequential. Students must therefore carefully follow curriculum requirements and meet all prerequisites for required courses.
- All CM students receive a degree in management, with a concentration of their choice.
- Once a student has earned 60 credits, he or she declares a concentration in one of the following areas: accounting, finance, marketing, management, international management, management information systems, or operations man agement and information systems.
- Students who have not declared a concentration should seek advising in the University Advising Center (M/3/625; 617.287.5500). Students who have declared a concentration are advised by a faculty member from the department administering their concentration. A list of faculty advisors can be found in the college's Undergraduate Program Office.
- Only elective courses may be taken on a pass/fail basis.
- CM accepts inter-college transfer applications January 3-April 1 and June 3- November 1. For more information, please call the CM Undergraduate Program Office (617.287.7760).

[8]A College of Liberal Arts "Arts"(AR) or "Humanities"(HU) distribution course.

Important Policies for Nursing Students

- Only course work that fulfills a College of Nursing and Health Sciences (CNHS) requirement will transfer. All transfer courses must carry at least 3 credits, or 4 credits in the case of lab courses. The student must have earned a grade of C (2.0) or higher in each transferred course. To transfer, courses in the natural sciences must have been taken within ten years prior to matriculation in CNHS (except natural science courses transferred in by RN-BSN or RN-MSN students, for which there is no time limit). There is no time limit on other non-nursing courses. Transfer acceptance of nursing courses is determined case by case.
- To graduate, students must achieve a grade of C (2.0) or higher in all courses listed in this worksheet, except electives. They must also meet the Writing Proficiency Requirement (see pages 49-51) and complete a total of 123 credits, at least 30 at UMass Boston. No course in the worksheet, with the exception of the World Languages/Cultures and Arts/Humanities courses, may be taken pass/fail.
- ESL, OCAS, CRW, MATHSK, and ACDSKL courses do not count toward the total of 123 required credits or toward the GPAs of students applying for inter-college transfer into the nursing program.
- All generic nursing students must meet with their assigned faculty advisor at least once per semester for registration purposes. Faculty advisors are assigned during the first semester and are available by appointment to discuss any aspect of the undergraduate experience. (RNs should meet with an academic advisor.)
- Entry into all clinical nursing courses is contingent upon satisfactory completion of academic and clinical clearance requirements (e.g., TB test, Hep B series, CPR, health insurance.)
- Students seeking to transfer into the nursing program from other UMass Boston colleges must file for inter-college transfer by June 1. These students must have completed 12 college-level credits including at least one lab science course at UMass Boston, and have a UMass Boston GPA of 2.75. Forms are available at the CNHS and registrar's offices.
- Nursing information sessions are held regularly for non-nursing students who wish more information about course requirements and admission to the nursing program. To attend, call 617.287.6000.
- A student's failure to adhere to pre- and/or co-requisite requirements of a course will result in the student's removal from the course.

[1]This table summarizes requirements for ESPE students beginning in fall 2001 or later. Other ESPE students should confer with their advisors about their requirements.

[2]AR, HU, SB, WC, and WL identify College of Liberal Arts and College of Science and Mathematics courses in this publication according to distribution requirements they meet. AR=Arts, HU=Humanities, SB=Social and Behavioral Sciences, WC=World Cultures, and WL=World Languages.

Important Policies for ESPE Students

- Each student must meet with a faculty advisor before registering for courses. A list of all ESPE students showing each student's concentration and faculty advisor is posted outside the main ESPE office (S/3/301-25).
- To graduate, all students must:
  - complete new General Education requirements as outlined by the College of Nursing and Health Sciences and the ESPE Department. These include ENGL 101 and 102, MATH Q114 or equivalent, NURSNG G107 or any other 100-level "G" course (for students entering with 0-29 credits), NURSNG 212 or any CLA Intermediate Seminar, the Writing Proficiency Requirement (see pages 49-51), and distribution requirements. For specifics, consult the ESPE Department chair.
  - meet the ESPE diversity requirement by completing ESPE 220 and a second course, which may be either ESPE 180 or a College of Liberal Arts or College of Science and Mathematics diversity course (see pages 52-55).
  - achieve a grade of C (2.0) or better in BIOL 207/208 and in all required courses designated as ESPE. Exercise physiology concentrators must achieve a cumulative grade point average of 2.5 prior to placement in ESPE 486. Teaching concentrators will provisionally accepted as certification candidates; to be considered for full acceptance into the certification program, they must complete 30 credits, with a 3.0 grade point average, in all ESPE-designated courses. For further requirements, see the department chair.
  - earn a total of 120 credits, 30 of which must be taken at UMass Boston.
- Students must meet all course prerequisites, along with any special requirements outlined in the UMass Boston *Undergraduate Catalog* and *ESPE Student Handbook*.
- Only course work that fulfills an ESPE requirement will transfer. To transfer, courses in the natural sciences must have been taken within ten years prior to matriculation. There is no time limit on other courses. Transfer acceptance of ESPE courses is determined case by case.
- All courses taken in the ESPE major after a student has matriculated at UMass Boston must be taken through the ESPE Department.
- Biol 207/208 and ESPE courses required in a student's concentration may not be taken pass/fail.
- Non-ESPE students may take certain courses in ESPE, such as ESPE 110, 120, 130, 140, 150, 180, 221, and 256. These students may take other ESPE courses if they meet the prerequisites and have the permission of the department chair.
- Students wishing to transfer into ESPE from other UMass Boston majors should complete an intercollege transfer application and submit it to the ESPE chair in the departmental office. Forms are available in this office and in the Undergraduate Registrar's Office.

The Writing Proficiency Requirement (WPR)

The Writing Proficiency Requirement is an assessment of students' abilities as analytical readers, writers, and thinkers—abilities that students need in order to perform strongly and independently in upper-level courses. These habits of mind are vital parts of a liberal arts education.

This graduation requirement applies to all undergraduate students in the College of Liberal Arts (CLA), the College of Science and Mathematics (CSM), and the College of Nursing and Health Sciences (CNHS), including the Exercise Science and Physical Education (ESPE) Department. Students can complete the requirement either by taking an examination or by submitting a portfolio.

THE WRITING PROFICIENCY EXAMINATION

This examination is offered two times a year, in January and June. The three-hour examination involves writing an essay of seven to ten paragraphs in answer to a question based on a set of readings that students must prepare in advance. A passing essay will demonstrate the student's thorough understanding of the readings, as well as an ability to analyze and synthesize the material, use evidence appropriately, form concepts, draw inferences, and construct a well organized response to the question. Each student who plans to take the examination must register for it and pick up a reading set during the registration period. There are three reading sets to choose from. Before registering, the student should preview excerpts from the three reading sets and choose the one he or she wants to prepare; preview materials will be available at the WPR website (www.umb.edu/umb/wpr) one week before the registration period begins. Then the student should come to the WPR Office (W/6/064) to register and pick up a complete reading set on the selected topic. Registration begins six weeks before the date of the examination (see the schedule for the upcoming semester on the next page).

Note: The Writing Proficiency Examination is not the same as the English Placement Test, which students take when they enter CLA or CLM.

THE WRITING PROFICIENCY PORTFOLIO

The portfolio consists of four papers, each at least five typewritten pages in length. Three of the papers are expository essays, written for three different courses and three different instructors and based on multiple reading sources. Each of these essays must be certified as the student's own work by the instructor of the course for which it was written. Certification forms are available in the WPR Office (W/6/064). The fourth paper is a new one, to be written independently by the student, based on a set of readings and a question distributed by the WPR Office six weeks before the complete portfolio is due.

Portfolios may be submitted on specified dates in January and June and also in October and March (see the schedule for the upcoming semester on the next page).

DEADLINES

CLA and CSM: All students who are required to take an Intermediate Seminar (a G200 course) should successfully complete the WPR at the end of the semester when they take the seminar. As a rule, students must complete the WPR by the end of the semester in which they earn their 75th credit. Students who transfer to the university with 75 or more credits are the only exception to this rule; these students must complete the WPR by the end of their first semester, whether or not they are also required to complete an Intermediate Seminar. **Note! The WPR deadlines for CLA and CSM students have recently changed. The deadlines given here took effect in fall 2002.***

CNHS: Generic nursing students are to successfully complete the WPR before enrolling in NURSNG 310. RN Nursing students must do so before enrolling in NURSNG 410. ESPE students must do so before enrolling in their first internship (ESPE 400, 450, or 486).*

***Please see "What Happens if the Requirement is Not Completed on Time" on page 51.**

WAIVERS

Only students who have previously earned bachelor's degrees are eligible for waivers of the WPR.

A CLA or CSM student who has earned a bachelor's degree may apply for a waiver by presenting a complete copy of a transcript indicating completion of that degree, plus three samples of analytical writing submitted for grades in pursuit of that degree. These requests for waivers are reviewed case by case. Contact the WPR Office (W/6/064, 617.287.6330) for more information.

A CNHS student who has earned a bachelor's degree and wishes to apply for a waiver should visit or call the CNHS Dean's office (S/2/15G, 617.287.7500).

SCHEDULE FOR UPCOMING EXAMINATIONS AND PORTFOLIO DEADLINES

Monday, June 2, 2003. Examination and portfolio.
- Examinations scheduled at 10:00 a.m. and 6:00 p.m.
- Portfolios due by 5:00 p.m. in the WPR Office (W/6/064).
- Registration and readings available Tuesday, April 22, until Friday, May 30, at 5:00 p.m. in the WPR Office (W/6/064).
- Students may preview the reading topics starting Monday, April 14, at www.umb.edu/umb/wpr.

Thursday, October 23, 2003. Portfolio only.
- Portfolios due by 5:00 p.m. in the WPR Office (W/6/064).
- Registration and readings available Monday, September 15, until Monday, October 20, at 5 p.m. in the WPR Office (W/6/064).
- Students may preview the reading topic starting Monday, September 8, at www.umb.edu/umb/wpr.

Monday, January 5, 2004 (snow date Tuesday, January 6). Examination and portfolio.
- Examinations scheduled at 10:00 a.m. and 6 p.m.
- Portfolios due by 5:00 p.m. in the WPR Office (W/6/064).
- Registration and materials available Monday, November 24, 2003, until Friday, January 2, 2004 at 5 p.m., in the WPR Office (W/6/064).
- Students may preview the reading topics starting Monday, November 17, 2003, at www.umb.edu/umb/wpr.

WHAT HAPPENS IF THE REQUIREMENT IS NOT COMPLETED ON TIME

CLA and CSM: All students must successfully complete the WPR by the end of the semester in which they earn their 75th credit, or, if they have transferred with 75 or more credits, by the end of their first semester at the university. Any student who fails to meet this requirement may not continue to make full-time progress toward his or her degree (i.e., 12 or more credits per semester) before honoring the terms of a formal learning contract for completing the WPR. This learning contract will restrict the student's schedule for one semester, usually to a maximum of two courses or six credits; one of the course may be a required writing course (for example, ESL 100, ENGL 101 or 102, ENGL Z281, CRWZ282, or CRW Z283).

Students who have attempted but not passed the WPR exam or portfolio by the end of the required semester must plan and sign a learning contract with a counselor in the WPR Office by a date to be specified each semester. Students who have not attempted the exam or portfolio by the end of the required semester must submit an appeal in writing to the associate dean for undergraduate education by a date to be specified each semester. *For students in either situation at the end of the spring 2003 semester, this date is June 27, 2003. The equivalent date for the fall 2003 semester and the January 2004 winter session is January 28, 2004.*

Any student who, by the specified date, has not signed a learning contract or submitted an appeal as required above will be suspended. Any student on a learning contract who does not complete the WPR at the end of the learning contract semester will be suspended. Any student whose appeal is denied will be suspended.

CNHS: Generic nursing students will not be allowed to register for NURSNG 310, RN nursing students will not be allowed to register for NURSNG 410, and ESPE students will not be allowed to register for ESPE 400, 450, or 486, unless they have successfully completed the WPR. CNHS students who fail to complete the WPR on time will therefore be unable to make normal progress toward their degrees.

GETTING HELP

Two intensive courses are offered to help CAS students develop the abilities being assessed by the WPR:

- CRW Z282 is an intensive reading and writing course that prepares students either to retake the exam or to submit a complete portfolio.
- CRW Z283 is an intensive reading and writing course for students who want to submit a portfolio and need to compose a complete set of appropriate papers.

Registration in both these courses is by permission of the instructor or the director of the WPR only. For further information, visit or call or visit the WPR Office (M/4/603, 617.287.6330).

CNHS and ESPE students who need to develop further the abilities assessed by the WPR should register in Nursing 250, Communication Skills in Nursing.

Please note!

The WPR deadline has changed for all CLA and CSM students as of fall 2002. CNHS requirements have also changed. For details, see "Deadlines" on page 49 and "What Happens if the Requirement is Not Completed on Time" on this page.

The Diversity Requirement

UMass Boston believes that explicit study of the diversity of the world's peoples is an essential component of an undergraduate education. The university defines diversity broadly to include race, gender, culture (national origin, ethnicity, religion), social class, age, sexual origin, and disability. Attention to cultural and social groups previously ignored or marginalized in curricula helps students acquire analytical tools and knowledge with which they can understand human diversity in our complex and changing world, and strengthens their academic preparation by exposing them to a rich body of scholarship from a wide range of disciplines. All undergraduates at UMass Boston must therefore take courses that address human diversity as a major theme.

If you are in the College of Liberal Arts or the College of Science and Mathematics, there are two groups of courses to choose from. The courses in one group focus on diversity in the United States, those in the other have an international focus. If you enter UMass Boston with fewer than 60 credits, you must take one course from each group. If you enter UMass Boston with 60 or more credits, you must take one course, which can be drawn from either group. You can find a list of all courses that meet the diversity requirement on the following pages.

A number of courses that meet the requirement will be offered during the upcoming semester. These are identified in the schedule listings by symbols, as follows:

United States focus:

International focus:

If you are in the College of Management, you must complete one diversity course offered by the College of Arts and Sciences (see above). The course can have either a US focus or an international focus. Please note that the College of Management requires you to complete an "international management" course. For more information, see pages 29-31.

If you are studying nursing in the College of Nursing and Health Sciences, you will meet the diversity requirement automatically by taking courses required for various purposes.

If you are studying exercise science and/or physical education in the College of Nursing and Health Sciences, you must take ESPE 220 and one other course. That second course can be ESPE 180 or a course designated as a diversity course by the Colleges of Liberal Arts and Science and Mathematics.

If you are in the College of Public and Community Service, you will meet the diversity requirement automatically as you meet other college requirements.

COURSES MEETING THE DIVERSITY REQUIREMENT

CLA and CSM students entering with 0-59 credits must take *two* courses, one from Group A and one from Group B. Those entering with 60 or more credits must take *one* course, which can be drawn from either group.
CM students must take *one* course, which can be chosen from either group.

Please note: This list includes all courses that students may take to meet the Diversity Requirement. Courses to be offered in the upcoming semester are listed in the schedule section of this publication. For further information on the requirement, see the preceding page.

Please note: Courses designated "C" are no longer being taught, as the university continues development of its new general education curriculum. Some of the material in the "C" courses listed here is to be taught in other courses that are now being planned. For current information, please contact departmental offices.

Schedule of Undergraduate Courses

FOR FALL 2003

FIRST-YEAR SEMINARS

Thasa courses maat part of tha Ganeral Education Raquirament for new degree-seeking studants antering tha Collega of Liberal Arts tha College of Science and Mathematics, and tha Collega of Management (as of fall 2000), and tha Collega of Nursing and Health Sciancas (as of fall 2001) with 29 or fewer transfer credits. The courses are not open to othar students.

New students ara required to take one and only one of these seminars, if possibla in their first semestar at UMass Boston, and must register for tha saminars through the University Advising Center.

INTERMEDIATE SEMINARS

These courses meet part of the General Education Requirement for continuing students who entered the College of Liberal Arts or the College of Science and Mathematics (formerly the College of Arts and Sciences) with 29 or fewer transfer credits in fall 2000 and thereafter, and for students entering with between 30 and 89 transfer credits in fall 2001 and thereafter. Students are required to take one and only one of these seminars. The courses are also open to continuing students from earlier years who must enroll in a G200 seminar in order to complete their C-course requirement. For further information, see pages 35 and subsequent pages about individual college requirements.

Prerequisites for the Intermediate Seminar are English 101-102, a First-Year Seminar, and 30 or more credits. For course descriptions, see the latest Undergraduate Catalog or visit the UMass Boston web site, www.umb.edu. (Click on "Academics" and then go to "Intermediate Seminars" in the list of undergraduate programs.)

Please note that one of the Intermediate Seminars listed here is also required for some College of Management students who have matriculated in or after fall 2002. MGT 330 is also part of the College of Management's Intermediate Seminar requirement, but MGT 330 does not meet the Intermediate Seminar requirement for College of Liberal Arts or College of Science and Mathematics students. For further information, see pages 45-46.

In the College of Nursing and Health Sciences, NURSNG 212 fulfills the Intermediate Seminar requirement. NURSNG 212 is open only to students in this college For further information see pages 35 and subsequent pages about individual college requirements .

Art (ART)

All 300-level studio courses and 400-level art courses are off-line and require department permission. Descriptions of these courses, their prerequisites, and their registration guidelines are available in the Art Department office M-4-456.

The following art courses are not open to students with 90+ credits: ART 293, 295, and 297. This does not apply to art majors. Art majors on wait lists will receive priority for art courses.

Open labs for all courses in photo, video, printmaking and digital media are listed at the end of this course listing. A minimum of 3 hours of lab each week is required for each course; 6 hours per week are recommended.

COLLEGE OF MANAGEMENT

CM departmental course offerings appear in alphabetical order below. During the early access registration period, all CM courses below are reserved for CM students only. On July 14, CM courses in which sufficient space is available will open to degree-seeking students from other colleges. On August 11, CM courses will open to qualified non-degree-seeking students, again if sufficient space is available. Non-CM students are invited for CM courses as long as they have met the prerequisites. Note: ACM 299 and MGT 490 are reserved for CM students only.

Computer Science (CS)

All new and continuing students who are registering for UMass Boston courses in either mathematics (up to MATH 140) or computer science (up to CS 110), ere required to teke the Mathematics Diagnostic Exam. The university uses this test to plece students in the courses that will serve them best. Students without e setisfactory result on the exem will be dropped from meth end computer science courses for which they register. Refer to the front of this publication for the test detes end times.

What the Codes Mean

★ = Meets at or after 4:00pm

ccde = Course administered by the Division of Corporate, Continuing, and Distance Education (see pages 13-15).

tba = to be announced

Letters to right of course number = Distribution areas (see pages 41-43).
or = Diversity course (see pages 52-55)
= CM international management course (see page 46)

W/1/001 and similar place information = Building, floor, and room number, in that order.

C = Clark Athletic Center
H = Healey Library
M = McCormack Hall
Q = Quinn Administration Building
S = Science Center
W = Wheatley Hall
Arch = Massachusetts Archives Building
Braintree = Braintree High School
Copley = Snowden International School in Copley Square
Lipke = Lipke Auditorium (Science Center, 2nd Floor)
Plymouth = Cordage Park Campus in Plymouth
Snowden = Snowden Auditorium (Wheatley Hall, 1st Floor)

Access to Your University Records

WHO HAS ACCESS TO WHAT

A federal law called the Family Educational Rights and Privacy Act of 1974 establishes the following regulations governing access to every student's UMass Boston records.

1. This Act sets forth requirements designed to protect the privacy of parents and students with regard to access, review or release of records maintained by educational institutions.

2. The Act permits current or former students to review the following documents: permanent academic record, admissions, financial, placement, veteran's, counseling, advising and disciplinary records.

3. Access to these records may also be granted to faculty and staff; your parents, if you are a student listed as a dependent on their federal income tax returns; authorized federal or state officials auditing education programs; and accrediting associations.

4. The following records may not be examined: parents' financial records; medical, psychiatric or psychological records; personal files of faculty or administrative personnel; law enforcement records held by law enforcement officials.

5. Directory information may be released to third parties without your written consent, provided you have been given the opportunity to withhold all such disclosure. Directory information includes your name, address, date and place of birth, major field of study, dates of attendance, degrees and awards conferred. As a public institution we must comply with any request for a list of our students. If you would like to insure that your name is not included on any list, please read "Your Right to Restrict Access" below.

6. The University uses your Social Security number as the primary identifier unless you request issuance of a substitute number for identification purposes. If you wish to do so, you should contact the appropriate registrar's office.

7. Procedure for gaining access to records: Your request for access to a record should be made in writing to the office which maintains the record. The academic record is the only permanent record and is maintained in perpetuity. Medical records are retained by the Health Services Center for 30 years. Admissions records for all applicants must be held for three years.

8. Any questions and/or challenges concerning these matters should be addressed to the Dean of Students, Third Floor, Quinn Administration Building.

YOUR RIGHT TO RESTRICT ACCESS

You have the right, as noted in paragraph 5 above, to withhold access to your directory information from any third party. To authorize such restrictions, you should fill out a confidentiality form, available from the Registrar's Office. Once you have done so, no information can be released (even to you) without your written consent.
